Direct Adhesives are your first choice for adhesives in the packaging, printing, paper converting, woodworking, building and construction and product assembly markets in the UK.

We are Premium Partners of **Henkel** Adhesives in packaging, paper converting and woodworking industries. We are also Premium Partners of **Power Adhesives**, the global leaders in shaped hot melt technology and hand-held hot melt adhesive applicators. Supplying strongly recognised brands like **Technomelt, Aquence, Tecbond** and **Tec Applicators** means that we can provide you with the best technology when you need it.

Together with **Kenyon Group** in the North West of the UK, large stock and experienced team, we are well placed to provide you with the best of all worlds, with leading adhesive technology and a responsive, personal service.

Our mission is to always strive to deliver value to our customers. We remember that you want a supplier who cares and provides you with reliability and consistency every time.

Direct Adhesives operate from three sites located in **Leighton Buzzard**, **Coventry** and **Oldham**.

From our base in Leighton Buzzard, we distribute products from **Henkel** and **Power Adhesives** and have facilities for technical support for our customers. We have invested in automated filling equipment for our **small pack production** capabilities, with the ability to handle a wide range of products. Most importantly, we are always on the end of a phone - or email, to deal swiftly and efficiently with our customers needs.

At **Coventry**, we manufacture a wide range of water based adhesive products, supplied in a variety of pack sizes. Recent investment in bulk mixing equipment for **D3 water resistant PVAc wood adhesives** shows our commitment to supplying high quality adhesives, engineered for the UK market.

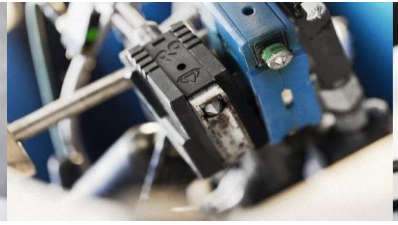
Oldham is the hub of our **e-commerce business** and has long been our centre of expertise for the woodworking sector. Orders from our website www.gluegunsdirect.com are fulfilled directly from this site. Our team in Oldham has a wealth of experience to support customers with advice on adhesive and applicator selection.

Strong Partnerships

As Premium partners of **Henkel and Power Adhesives**, we can bring you leading products in the adhesives industry. Henkel and Power have an enormous commitment to R&D, Food Safety and Environmental Compliance.

Our own teams have technical backgrounds and extensive industrial experience, meaning that we can help you find solutions to your production challenges.

We understand that it's not just about supplying adhesives, but helping you find ways of doing things better, safer and reducing cost and complexity - all at the same time.



kenyon GROUP LTD

Direct Adhesives

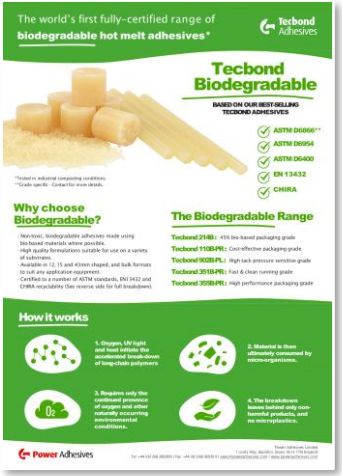
Bringing you market leading products

- ❑ The best technology, designed to help you improve
- ❑ Reducing cost, improving reliability and enhancing sustainability

AQUENCE® TECHNOMELT®

Tecbond Adhesives

Tec Applicators



Partner: Tuskbond

Tuskbond has leading technology for the foam, furniture, flooring and panel lamination industry.

Tuskbond Adhesives have built a brand strongly recognised for great performance. Constant innovation has resulted in products like Tuskbond One, the most versatile product of its type.

Tuskbond products can be purchased on www.gluegunsdirect.com

Partner: Weiss Chemie

Augmenting our adhesive offering, we have a partnership with **Weiss Chemie.**

Weiss Chemie, has a high-performance adhesive and sealant product portfolio for construction and general assembly applications. Weiss products have been tested and independently certified to perform at the highest level and offer a sustainable and safe choice

Partner: Timmer GmbH

Our partnerships extend beyond adhesives and we are UK sales and spares partner for **Timmer Pumps GmbH**.

Timmer have a strong position in the adhesive handling market for the beverage industry, with high innovation and bulletproof reliability.

Their state-of-the-art capabilities offer ultimate controllability and accurate adhesive temperature control – resulting in precise and consistent application.

How Safe & Sustainable is your adhesive?

With our expertise and the strength in depth of our partners, we can help you navigate the safety and sustainability landscape of modern manufacturing. Products which can immediately reduce your carbon footprint and assistance with building a robust PPWR policy are things that we can do for you. So, call on us to help with your own sustainability and ESG goals.

Technology Spotlight:

The **Aquence XP** range of labelling adhesives covers every application for glass bottle labelling. High mileage, easy cleaning and efficient usage makes it the choice of brand leaders. The product range includes adhesives with extreme IWR and others which can be effectively and quickly washed off for the returnable bottle market.

Online Convenience

Direct Adhesives are Premium Partners of **Power Adhesives**' range of Tecbond shaped adhesives and the Tec range of hot melt glue applicators.
Through our pioneering website, www.gluegunsdirect.com, these products and many more are available from stock. There are plenty of other useful resources available on the website, as well as access to **Henkel's Technomelt** and **Aquence** adhesives for the **woodworking** industry.

We can supply a full range of adhesives, guns and accessories and of course, help you choose the right product for your application.
